La **CONFEDERACION MASÓNICA INTERAMERICANA** hace saber a todas las Potencias Regulares del Orbe:

**CONSIDERANDO:**

3. Que tal circunstancia puede generar dudas e incluso equivocaciones por parte de las demás Potencias confederadas,
4. Y finalmente, que es deber del Consejo Ejecutivo mantener actualizados a todos los dirigentes masonicos sobre los temas relevantes de nuestra institución,

**ACLARA:**

5. Que reconoce como la Única Potencia Simbólica Regular establecida en la República del Paraguay a la **GRAN LOGIA SIMBÓLICA DEL PARAGUAY** presidida por el M. Resp. Hno. **ÉDGAR SÁNCHEZ CABALLERO**.
6. Que reconoce la indiscutible regularidad de origen de la **GRAN LOGIA SIMBÓLICA DEL PARAGUAY** presidida por el M. Resp. Hno. **ÉDGAR SÁNCHEZ CABALLERO**, reconociéndola como la misma **GRAN LOGIA SIMBÓLICA DEL PARAGUAY** que participó de su fundación el día 14 de abril de 1.947 por la sucesión ininterrumpida de Grandes Maestros y la continuación de su tronco histórico.
7. Que tal decisión ocurrió después de criteriosos estudios realizados por las administraciones anteriores de la CMI, y luego de un proceso regular en el que se respetó ampliamente el derecho de contradicción.
8. Que siendo así, reconoce a la **GRAN LOGIA SIMBÓLICA DEL PARAGUAY** presidida por el M. Resp. Hno. **ÉDGAR SÁNCHEZ CABALLERO** como la única Potencia Regular Fundadora de la C.M.I. establecida en la República del Paraguay.

# 2014 Commission Report

## **Quintana Roo**

The Commission relies heavily on the Confederation of Regular Grand Lodges of Mexico which provides a list of regular Grand Lodges in that country and that list of regular Grand Lodges does not include the "Sovereign Grand Lodge of Quintana Roo".

## **Valle De Mexico**

As a result of several inquiries concerning the Grand Lodge Valle De Mexico, the Commission finds that the Valle De Mexico does not meet the standards for recognition. Over the last decade, it has been reported that they have invaded the territory of a number of neighboring grand lodges. They are not recognized by any regular Grand Lodges in Mexico or Latin America.

## **Grand Orient of Haiti - 1824**

Several inquiries were received concerning the regular Grand Orient of Haiti - 1824. Based upon the most recent correspondence received from multiple sources, the Commission believes the Grand Orient of Haiti constituted in 1824, whose current Grand Master is M. W. Yves Benoit Jean Marie and Grand Secretary is Bro. Smith Barthelus, is the regular Grand Lodge in Haiti. The address is 202, Rue du Magasin de L'Etat, Haiti. At this point the Commission cannot provide any additional information.

## **Cuba**

Grand Lodges in North America have received letters from the Grand Lodge of Cuba, regarding a new Grand Lodge in Florida which is supposed to be named "United Grand Lodge of Cubans in the Exterior". The letter requests support for this new Grand Lodge. The Commission would advise that the decision to share jurisdictions with the Grand Lodge of Florida is a decision which must be made by the Grand Lodge of Florida.

## **Brazil**

Historically, there have been two recognized systems of Masonry in Brazil. One system consists of the Grand Orient of Brazil, and the other system consists of the individual state Grand Lodges in Brazil. However, there is a new third system operating in Brazil consisting of independent state Grand Orients. They are not recognized by the Grand Orient of Brazil or by the individual state Grand Lodges in Brazil. At this time, the Commission has no evidence that the independent state Grand Orients meet the standards for recognition.

## **Paraguay**

Over the last six years, the Commission has continued to study the split in the Grand Lodge of Paraguay that resulted in the two Grand Lodges. The information the

Commission has gathered leads it to the conclusion that the Grand Lodge Symbolic whose Grand Master is M/W Bro Euclides, is the only Grand Lodge in Paraguay that meets the standards for recognition.

### **Bulgaria**

The situation in Bulgaria has become more complex. A third Grand Lodge known as the Grand Lodge of Bulgaria, was created around the year 2011. It appears to have been consecrated by the unrecognized Grand Lodge of France. This third Grand Lodge has subsequently split into two Grand Lodges. The Commission received a letter dated December 20, 2013 from the Grand Lodge AF & AM of Bulgaria proposing an agreement between the Grand Lodge AF & AM of Bulgaria, Dr. Valeri Mitkov Grand Master, the United Grand Lodge of Bulgaria, Dr. Ivan Sariev Grand Master, and the Grand Lodge of Bulgaria, Dr. Slaveyke Gospodinov Grand Master. The Commission will watch with interest the outcome of this agreement and report the outcome at the 2015 Conference.

### **France**

It appears that the administrative problems within the Grande Loge Nationale Française (GLNF) have been resolved. Other constitutional changes will be voted on in April of 2014. In the 2012 report of the Commission, it stated that a "reasonable course of action to consider is to suspend fraternal relations with the GLNF." Based on the resolution of the administrative problems, member Grand Lodges may desire to reconsider that suspension. The Commission would also extend its thanks to the five central European Grand Lodges (Germany, Netherlands, Luxembourg, Switzerland and Belgium) for their efforts to help resolve the issues in France.

### **Additional Information**

A great many /"Grand Lodges"/ continue to appear in North America each year which do not meet the standards for recognition. Further, most of these Grand Lodges make no effort to achieve regularity or even establish a relationship with the regular Grand Lodges into whose jurisdiction they have inserted themselves. The Commission urges great vigilance in establishing relationships with new Grand Lodges that do not exist in the List of Lodges - Masonic, published by Pantagraph, in Bloomington, Ill..

# 2016 Commission Report

## **Grand Lodge of Georgia**

The Grand Lodge of Georgia, formed by three regular lodges in Georgia, was consecrated by the Grand Lodge of Russia on March 14, 2015. The Grand Lodge of Georgia filed, in a timely manner, a request with the Commission to be examined for regularity. However, at the February 22 meeting of the Commission, the M/W Grand Master of the Grand Lodge of Russia, M/W Andrey Bogdanov requested that the matter be tabled until the 2017 meeting of the Commission. There were no representatives from the Grand Lodge of Georgia in attendance at the Commission meeting. This request was granted.

## **Bulgaria**

After many years of negotiations, legislation by which the Grand Lodge AFAM of Bulgaria would become part of the United Grand Lodge of Bulgaria (UGLB) was ratified on June 20, 2015. The UGLB suggests that the resulting grand lodge is composed of 4000 Masons with 119 lodges practicing regular Masonry. The Commission would like to congratulate the UGLB on this monumental accomplishment, 15 years in the making and extend its best wishes for a bright future for Masonry in Bulgaria. There are however other groups of Masons in Bulgaria who wish to become part of this unification movement. It is hoped that in the near future, we can report that all Masonry in Bulgaria is unified under one grand lodge.

## **King James Supreme Grand Lodge AF & AM Scottish Rites, Inc. of Miami, Florida**

The King James Supreme Grand Lodge AF & AM Scottish Rites, Inc of Miami, Fl, a self-formed grand lodge without treaty with the Grand Lodge of Florida, contacted the Commission to inquire how they might become a regular grand lodge. They were advised of the requirements for recognition as adopted by our Conference in 1952 and directed to the Commission website. Further communications with this group verified that they do not pass the test of Legitimacy of Origin nor do they have a treaty to share the territory of the state of Florida. There being no representative to speak on behalf of this group, the Commission took no further action on this matter.

## **Additional Information**

### **Quintanna Roo**

In 2014, the Commission stated in its report, to determine the regularity of Mexican and Latin American Grand Lodges, "The Commission relies heavily on the Confederation of Regular Grand Lodges of Mexico (CMI) which provides a list of regular grand lodges in that country. That list of regular grand lodges does not include the Sovereign Grand Lodge of Quintanna Roo." The current list of regular grand lodges provided by the CMI includes the name of the Sovereign Grand Lodge of Quintanna Roo and therefore considers it to be practicing regular Masonry.

## **Paraguay**

In 2014, the Commission stated in its report: “Over the last six years, the Commission has continued to study the split in the Grand Lodge of Paraguay that resulted in two grand lodges [with similar names and addresses]. The information the Commission has gathered leads it to the conclusion that the Grand Lodge Symbolica whose Grand Master is M/W Bro. Euclides, is the only Grand Lodge in Paraguay that meets the standards for recognition.” The Commission’s position on this matter is unchanged. This is the regular grand lodge. The current Grand Master of the Symbolic Grand Lodge of Paraguay is M/W Bro. Edgar Sanchez Caballero. The address of that grand lodge is: Gran Logia Simbolica Del Paraguay Avda. de la Victoria No 690 esq Lopez Moreira Asuncion - Paraguay

A great many “Grand Lodges” continue to appear in North America each year which do not meet the standards for recognition. Further, most of these grand lodges make no effort to achieve regularity or even establish a relationship with the regular grand lodges into whose jurisdiction they have inserted themselves. The Commission urges great vigilance in establishing relationships with new grand lodges that do not exist in the List of Lodges-Masonic, published by Pantagraph, in Bloomington, Ill.

REMINDER: The deadline for reports filed with the Commission is December 1. We will not accept any new material for consideration after this date.
